## Looking Forward to C&N: GIVING BACK, GIVING TOGETHER

C&N's Giving Back, Giving Together community fundraising program (GBGT) was formed in 2015 with the idea that by focusing on a particular cause, C&N can make positive and lasting impact on its communities. Each year, employees of C&N and the community vote on a cause to support, and they partner with organizations in their communities. Every dollar raised stays local. GBGT is an employee-driven effort, meaning those you will work with on a daily basis are the ones who organize the fundraisers, volunteer in their communities and raise awareness for the cause.

This year, C&N voted to "Fight Hunger." Due to COVID-19, support for our local food banks is needed more than ever. As a member of your community, C&N will put its best foot forward to help those who may not know where their next meal is coming from. Learn how you can join C&N in their mission to fight hunger at [www.cnbankpa.com/gbgt](http://www.cnbankpa.com/gbgt).

## FAQ'S

During this transition, we are committed to keeping the lines of communication open and making any changes as seamless as possible for you. In this section, we address some of the most common questions we've heard from our customers. Many more questions will be answered over the next several months as we work to bring together these two teams.

**Q: When will I receive more details about how this merger will affect me, my accounts, and online banking?**

A: Expect to receive a C&N Welcome Book in July 2020. This comprehensive book will contain detailed information about what you can expect and answers to most commonly asked questions.

**Q: Can I continue to use my current Covenant debit card?**

A: You can continue to use your Covenant Bank card and existing PIN until further notice. You will receive a new C&N card to replace your Covenant Bank card later this year.

**Q: How should I manage my checks if I am running low or if I will have left over checks after conversion?**

A. The good news is that your account numbers will remain the same and therefore you will be able to continue using your current checks. If you need to order checks now, go ahead and do so. Even after conversion, Covenant checks with our routing number will still be valid. Our routing number will automatically convert to C&N after conversion and your checks will process as normal with no disruption to you.
